

Perfect for Light and Heavy-Duty Fishing

Penn Mariner Boat Rod
Model #MB2050S66

PENN® MARINER® BOAT ROD

Constructed from solid glass blanks for durability, the Penn® Mariner® is unlike typical solid-glass rods, with tapers comparable to more expensive tubular blanks. Weight is minimal when compared to other solid-glass rods, courtesy of some clever engineering from Penn's rod designers, using the latest glass composite materials and construction techniques.

- Foam front and rear grips for comfort and durability
- Ceramic inserted guides
- Hooded reel seats
- Stainless steel guides and aluminum oxide inserts
