

# Legendary Performance for Any Angler

**PENN®  
JIGMASTER® 500L**

## PENN® JIGMASTER® 500L REEL

The Penn Jigmaster was one of the earliest designed casting reels from Penn and is still going strong as a favorite casting reel for anglers. Live bait anglers love the Jigmaster for its high-speed retrieve and quick-take-apart frame, useful for changing spools when fishing conditions change.
